GREETINGS SHAKLEE MEMBERS!

This newsletter insert keeps you up-to-date with all the exciting things that are happening in Shaklee and with our team.

Please note that the address on Redondo Ave is no longer valid. **My new address is indicated on the enclosed business cards.**

Do you have a **question** or comment? Simply call or email us at newsletter@partnersforhealthyliving.com and we will be happy to answer them.

And to all our new Shaklee members, **Welcome to the Shaklee Family!**

SHARE YOUR SUCCESS!

People **want** to hear your story and what has helped you. Sharing your story can inspire others to make **their** health a priority. It is just one of the ways we **make a difference** in the lives of hundreds (and soon, thousands) of other people.

I have a **brand new testimony line** you can use to call in and share your success stories with others.

Simply state your name and city, and give your testimony (it doesn't have to be "perfect"). Make sure and indicate which products have helped make the difference and how you have used them. **Simply call:**

1-800-609-9006 x9076

Please leave one message per testimony or product. You can also email us at: testimonies@partnersforhealthyliving.com

NOTE: The FIRST 10 people to leave a voice testimony we can use on our 800# will receive a Special Gift!!!

NEVER BEFORE IN HISTORY!

Roger Barnett is so serious about making Shaklee the #1 Health & Wellness network marketing company (with \$5 BILLION in sales within the next 10 years) that he has created the **most powerful incentive** in the history of network marketing!

This incentive rewards both people who come in and people who bring people into the Shaklee business with bonuses of more than \$115,000 over and **above their regular** earnings.

Please copy and pass on the enclosed flier to anyone who is looking for additional income or a new career.
